Hi - thanks Marie for reaching out to DCP. I forgot to update the group that I had talked with Lisa Webber about this and she was setting up an internal data gathering meeting with the DCP team for us. It will be on 8/13 at 3pm - just DCP (and me!).

The goal is to get them all up to speed before we meet so we can have a more solutions oriented meeting. I just responded to your email, Marie, asking if we can meet the following week - the week of the 17th...

Hey guys –

Just wanted to circle back on this? We are getting asked questions about this from quite a few of our owners re: trees.

Thanks!

Sure, I think Blake and Nick are great. Should I reach out to them or will you? Thanks Kevin.

Hi- thanks for checking in on this. Yes, I think we were looking at the ZAI option. It may be good to include Blake and also someone from the ZA's office. We can add that person later - I will ask Lisa Webber for ideas. Patricia is out today through August 4th but we may be able to proceed with Blake and Nick for now?

Good morning!

I think at our last meeting we agreed the next step would be to meet with Planning (Nick and Patricia) to discuss the ZAI idea.

Kevin, Should I reach out to them to schedule?

Thanks, Marie
